

# Thank You

September 13, 2013

Dear Mr. Bay Proby,

Thank you for the wonderful field trip, I really enjoyed it and I hope I go again when I'm in middle school.

When I'm older I hope I could work there as a Animal Protection and Agriculture, because I love animals and I can bring them back to there owner.

EOC

Sincerely,  
Sara Matus / Mrs. Playe class  
Animal Protection and  
Agriculture
